My deepest condolences to the Calvillo family, I am so I sorry for your loss Adella and Family. Sorry I couldn't make it to his rosary, I'm just got back from out of town. I really going to miss you my dear friend Otto. We shared lots of good memories since I met you in TDCJ. I tried calling you back a few months ago but we kept missing each other. You would always ask me how my grandkids were doing and you were always proud to tell me about your grandkids. You will always be in my heart and always keep those good memories.

My friend, my coworker, my Army comrade, I am sad to hear of your passing, I will miss your laugh, your smile, your jokes, your kindness and all the times we would take about the time we helped the military disassemble the worlds most deadliest toxic agents that were in Johnston Atoll out in the Pacific Ocean. Your memories will stay with me forever. Until we meet again my friend....Rest In Peace

Thank you for the memories of my Father and Uncle when we spoke face to face. Also the ones we shared like when I graduated from high school in 1991 you and your beautiful wife were there. I love you and will never forget you. If it wasn't for You and Dillard my brother, sister and myself wouldn't be here!
