My father was the most amazing person that I have ever known and I'm not just saying that because I'm his daughter. He was and still is my role model in life. He would always have a smile on his face no matter what he was facing. He always put others before himself and help people with anything that they needed. He was a fighter till the end. He will never be forgotten by his family or friends and he will always be loved. - Megan My dad was an amazing father and grandfather, he was always there when we needed him. He was involved in things we did growing up. His kids always came first. He always made his grandson smile. We will always love him and keep him in our hearts. - Alyssa My dad was a great father and will be missed- Ricardo

I ran into a co-worker from USAA today. He told me that Rick has passed away 2 years ago. It was shocking and upsetting to hear the news. I'll always remember Rick for his awesome BBQ, his dancing skills and his outgoing personality. I had the opportunity of hanging out with him at his family BBQs and we went Tejano dancing on a few occasions. A note to his children: Your Daddy LOVED you all.. each of you was the apple of his eye. May he rest in peach and fly with the Angels..
Sincerely, Norma Hernandez (former USAA)
