I will miss my great grandmother, we knew her as Abuelita Mina. She was the spirit of my big family, the heart of our family. Always gave me the best advice, no matter how silly my problems were. As devastating it is to lose her, I'm happy she's finally resting peacefully. She left a big legacy in this family especially the women in our family. She was always very caring, always had a smile on her face even though she was already struggling healthwise. Every time I would come over, I would give everyone a hug and when I'd get to my great grandma, her hugs were full and always the dearest. Everyone in my family now carries her words, her love and spirit in them, and she will never be forgotten. Muchas gracias a dios por el privilegio de tener una bisabuela tan amorosa como tu mi abuelita mina. Que descanses en paz al lado de diosito ☐
