I love you Pop. I will miss seeing and hearing you everyday. Your loud laugh, your short man syndrome 😊. Your wit, sarcasm and wisdom. You taught us all so much. You lived for Mom and us kids. Because you were an only child you made sure we had siblings so we wouldn't grow up alone. We always had what we needed, may not have been what we wanted but we did not go without. You and Mom made sure of that. No matter what we did right or wrong you stood by our side. We would hear the lecture but you were there. I will always be a daddy's girl.
