Guadalupe Duenez Ortiz

AUG 26, 1953 - JAN 14, 2025

Guadalupe Duenez Ortiz
August 26, 1953 to January 14, 2025
San Antonio Tx

No matter the issue any of us had going on in all our individual worlds Guadalupe D. Ortiz or as family knew her as Lupe and friends knew her as Lupita, She always had clarity in her advise to all of us. It wasn't always what we wanted to hear but it was exactly what we needed to hear. Her unique and special perspective came from her heart. She also sprinkled in a healthy serving of logic topped off with her tremendous sense of humor! All throughout her life she had her fair share of Ups and Downs just like the rest of us. The patience she gained became her superpower. It cultivated the biggest Heart down to her Soul that allowed her to see everyone through the lens of unconditional love. This ability for her to hold space for family and friends was always felt and heard with her view of the world and whatever we approached her with personally. Aside from helping us she also helped a lot of our four legged friends and anyone could spot her Love for pets especially cats and dogs. They brought her peace and comfort. Back to family and friends she always had faith and visualized everyone putting aside their differences and getting along with each other. Not just once in a blue moon but always. Her unwavering Faith in God will forever stand as an example that when we all approach each other from the heart we will Realize in her own words for all to Remember.

Rest in peace my beloved sister Lupita. I miss you but I find peace and comfort in knowing that the time will come when we will reunite with family and loved ones and we will all rejoice in everlasting life. In Jesus name I pray. May God bless us all. Amen
