Though time and life's demands led us in different directions, the memories we shared in our younger days remain close to our heart. We will always remember Norma's vibrant spirit, her love for sports and the outdoors, and the way she lived with energy, drive, and purpose. She was truly full of life and ambition, someone who left a lasting impression on everyone she met. Even though we lost touch over the years, the bond and memories we created will always be cherished. Norma will be deeply missed and forever remembered. With deepest condolences to her family, From Leroy & Maria

When I was about 10 or 11 years old Norma shared a bacon sandwich with me. She didn't have to, but she did because that was the kind of person she was. She was truly a reflection of the values her parents had instilled in her. She will be missed by all who knew and loved her.

Norma will be missed by us all. My thoughts of Norma are of her huge and loving heart. Norma truly possessed the love of God which she generously shared with all while she was here on earth. The way she lived her life was in direct alignment with God. God blessed her in many ways, with a beautiful family and grandchildren, but also with an abundance of strength and perseverance to get through each day and through her struggles and pains. And now, she is experiencing the presence of God in His full glory. Praise God for blessing us through Norma while she was here with us.
